DOCTORS' MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their busy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only symptoms caused by some uterine disease. The physician, ignorant of the cause of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better, however, and the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured." Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in any condition of the female system.

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve tonic "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

Constipation

Baked sweet apples, with some people, bring prompt relief for Constipation. With others, coarse all-weather bread will have the same effect. Nature undoubtedly has a vegetable remedy to relieve every ailment known to man. If physicians can find Nature's way to health, why this is struggling to find its way to health. Constipation is a certain sign of a diseased condition. The laxative effect of a most excellent aid to this end. But, combined with Egyptian Senna, Slippery Elm Bark, Solid Extract of Prunes, etc., this same Casarea bark is given its greatest possible power to correct constipation. A toothsome and healthy laxative, called Lax-ets, is made at the Dr. Shoop Laboratories, from this ingenious and most effective prescription. Its effect on Constipation, Biliousness, Sour Stomach, Indigestion, Bowel Complaint, etc., is indeed prompt and satisfying.

No gripping, no unpleasant after effects are experienced, and Lax-ets are put up in beautiful lithographed metal boxes at 5 cents and 25 cents per box.

PAPAL HONORS.

Information has reached New York from Rome that Pope Pius XIII has bestowed the title of Countess on Mrs. Thomas F. Ryan, of Virginia, the wife of the well known financier.

Private advices from Rome have been received in New York saying expressions of wonder were current as to why Mrs. Thomas F. Ryan did not avail herself of her title of countess.

The advices reported a rumor in certain Vatican circles that in all likelihood Thomas F. Ryan would be made a noble of the Holy Roman Church before the end of the year.

Inquiry among high ecclesiastical officers was at once made concerning this information, and it brought to light the fact that Pope Pius X in December last had bestowed the title of countess on the wife of the American gas, tobacco and street railway magnate in recognition of her charities and benefactions to the church.

The bestowal of title on Mrs. Ryan has been long expected by those familiar with church affairs. But it is not the first favor she has received from the Vatican. Pope Leo XIII granted her the dispensation of having a traveling chapel. This is installed in her private car, the "Pere Marquette," and is the only one of its kind in this country. The only other in the world belongs to the Queen Dowager of Spain.

It is said Mrs. Ryan gives away \$1,000,000 a year in charities. Her gifts to the church alone in the last four or five years are estimated at more than \$5,000,000.

Like her husband, Mrs. Ryan is a native of Virginia. Her great-great-grandmother was a first cousin of Mary Ball, mother of George Washington. John Smith Barry was her father. He was a son of Robert Barry, whose cousin was Commodore Barry, "father of the American navy."

Among Mrs. Ryan's first large benefactions in Washington was the Convent of the Perpetual Adoration on V street, which was followed by the erection of a large building at Georgetown College; more latterly the splendid cathedral in Richmond, which was consecrated with imposing ceremony last fall, and which was the joint gift of Mr. and Mrs. Ryan, drew attention to their munificence.

I will mail you free, to prove merit, sample of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or The Kidneys. Trouble of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart, and Kidneys, as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free Book. Dr. Shoop, Racine, Wis., the Restorative sold by E. S. Leadbeater & Sons.

SCARCITY OF COAL.

Because of its inability to fill the order, the Philadelphia and Reading Coal and Iron Company has been compelled to decline a contract for 200,000 tons of anthracite, the order for which was tendered by a representative of the Austro-Hungarian Chamber of Commerce.

Another order for 200,000 tons of bituminous coal wanted by the Italian government is also being offered to the largest soft-coal operators of the United States, with little prospect of its being taken. Other foreign orders have been offered to American operators with lack of success.

The great demand for coal by foreign governments is attributed to the increased amount of coal consumed by their naval vessels, the number of which has grown rapidly within the last two years. All native coal is being used for this purpose and the supply is not equal to the demand.

An officer of the Reading Company explained that his company was compelled to decline all such orders because of the great demand for coal among customers in this country and because of the scarcity of labor at the collieries. The same conditions confronted every other anthracite company, as well as all bituminous operators, he said. It was further explained that the shortage of all grades of coal is increasing daily and many western railroads are now much disturbed concerning their supplies for the coming winter.

Men who formerly worked in the mines are seeking employment in less dangerous lines of business. Many have abandoned mining as a means of livelihood and have turned to farming in western States. Foreigners who formerly came to the United States to take up mining now seek employment in other fields of labor.

Neighbors Got Fooled.

"I was literally coughing myself to death, and had become too weak to leave my bed; and neighbors predicted that I would never leave it alive; but they got fooled, for thanks be to God, I was induced to try Dr. King's New Discovery. It took just four one dollar bottles to completely cure the cough and restore me to good sound health," writes Mrs. Eva Unapner, of Grovetown, Stark Co., Ind. This King of coughs and cold cures, and healer of throat and lungs, is guaranteed by E. S. Leadbeater & Sons, druggists. 50c and \$1.00. Trial bottle free.
